# Comparing Numbers

Look at each pair of numbers below. Use the symbols  
> (greater than), < (less than) and = (equal to)  
to show how the numbers are related.

**EXAMPLE**

$112 < 492$

$654 > 390$

$801 = 801$

$133 \quad \underline{\hspace{1cm}} \quad 113$

$209 \quad \underline{\hspace{1cm}} \quad 309$

$464 \quad \underline{\hspace{1cm}} \quad 465$

$923 \quad \underline{\hspace{1cm}} \quad 939$

$511 \quad \underline{\hspace{1cm}} \quad 511$

$311 \quad \underline{\hspace{1cm}} \quad 287$

$845 \quad \underline{\hspace{1cm}} \quad 854$

$199 \quad \underline{\hspace{1cm}} \quad 199$

$740 \quad \underline{\hspace{1cm}} \quad 739$

$698 \quad \underline{\hspace{1cm}} \quad 723$
