At the Amusement Park: Graphing Yogurt Sales

The frozen yogurt sales at the Happyland Amusement Park have been very good. This is what they sold on Saturday:

8 strawberry, 5 lemon, 3 blueberry, 9 orange, 4 chocolate, 2 green apple, 6 grape

On the grid below, make a bar graph that shows how much of each flavor was sold. Then answer the questions. You can color the graph if you like.

1. Which flavor was sold the most? _____

2. How many more chocolate were sold than green apple? _____

3. What were the three flavors that sold the most?
